"Half of our language school term for the summer is over and there is only praise and thanksgiving in our hearts for all the way the Lord has led and guided these past two months. When one goes to high school or college he spends much time studying on several subjects, but here we have but one subject to take up our time. Language. This calls for perseverance and stickability. We have just started, too, because we will be spending our first two years on language. Although we don't know how to speak the language as yet, we do praise the Lord for the opportunities He has given to minister to those who know English. One such opportunity is with about two hundred young people from one of the schools here on the hill. I have about fifteen minutes with them each Sunday morning when we sing choruses and give a few words as the Lord directs."

John '45 and Wilda ex'48 Quimby are doing deputation work this summer and are still looking forward toward China or Japan before Christmas. We anticipate a visit on Bryan Hill in October.

When returning the form card sent out recently, Solon W. Hoyt ex'43, a missionary in Argentina, added "I prefer monthly issues of BRYANETTE, although I don't cooperate by sending any news." Anyone in Christian service can sympathize with the demand on one's time and energy. The time is short and we must be busy about our Father's business. Let's pray for all of our missionaries.

Albert '44 and Gwen '45 Wyllie, Igbaja via Ilorin, Nigeria June 12

"We are nearing the end of another quarter of school work. We have never known a year to go by so quickly. We wish you could see our lovely compound. We have just finished having all the school buildings, dormitories, etc., whitewashed and trimmed with dark green paint. The stones which mark off the various paths, roads, and flower gardens are all white-washed too. Why don't you drop in for a week or so? Dianne remains well and strong and happy. Christian love and greetings."

"Perhaps you'd enjoy hearing about Bryce. He weighed 6 lbs. 
10 ozs. at birth and now weighs 14 lbs. He's 26 inches long 
so is really a tall little fellow. He's bald, but a dark fuzz 
is showing and he has brown eyes. It is a constant debate as 
to who he looks like, but I believe he is a little Rudd except 
for coloring. We have had a busy summer. The crops have been very poor, but that 
doesn't cut down the work. Doug's brother was drafted in January so Doug's work has 
almost doubled. We'll be glad when winter comes and he's home better hours."

Paul Smith ex'48, Northampton, Massachusetts

"How good it is to receive all the news about Bryan classmates. Keep it 
coming. I am temporarily interrupting my graduate work at Harvard Uni-
versity as I have been offered and have accepted a position as head of 
the foreign languages department (Latin and French) at Chester High 
School, Chester, Vermont. Much being snow-bound next winter!"

Irma O'Neal Sions ex'49, Sunnyside, Washington  
June 27

"We wanted to go back east this summer and visit my husband's 
folks who live in West Virginia and I wanted to attend commence-
ment at Bryan—hope to make it next year. I've been secretary 
in the bank here since returning from Bryan and like it very much. I enjoy keeping 
house on the side too, so between the two jobs I'm kept pretty busy. I enjoy reading 
the NEWSSETTE and BRYANETTE."

Beatrice Batson '44 has returned to the campus after attending the Inter-Session at 
Wheaton College.

Mr. and Mrs. H. W. Hill, who have charge of the Bryan Boarding Department, spent a few 
days in June visiting Louise Post '41 in Salyersville, Kentucky.

Right now we are welcoming quite a few local trustees, alumni and former students on 
the campus—they want to see what is going on in the building program. One who visit-
ed recently remarked "I received two picture postcards showing the progress and decided 
I wanted to come up and see for myself."
Recently some have inquired for addresses of former staff and students. In so far as possible, we maintain a current file of addresses for those who have been a part of the Bryan family; so anytime you need an address, we will be glad to furnish it, if possible.
